What I Need For Each Service

OFFICE ONLY — your checklist, service by service: what the client must give you, and what you must have ready, before the work starts.

Always ready, every day: Zoom link · Square payment links (Plan 50% · SSA $50 · Credit $150 · Essential $89/mo) · blank Review sheet · Extra Questions sheet · Services Agreement · client folder (paper or Drive) started at intake.

1 · FREE CONSULTATION (every client starts here)

From the client	You have ready
■ Booking intake completed BEFORE the appointment (or it is rescheduled)	■ Review sheet + Extra Questions sheet open
■ Their intake answers in front of you on the call	■ 5-pillar deck ready to share on Zoom

2 · YOUR PERSONAL PLAN — PRICED FOR YOUR FAMILY · 50/50

From the client	You have ready
■ Signed Services Agreement (Personal Plan checked)	■ The right plan template: Family / Child 5–17 / Young Adult 18–26
■ FIRST HALF of their personal price paid through Square — work starts when paid	■ Their completed intake + your review notes
■ SECOND HALF paid BEFORE you provide the plan	■ Delivery Zoom scheduled (45–60 min)

If the second half is not paid: the plan stays ready, not delivered. Note the balance in their folder.

3 · SSA FILING HELP — $50 paid in full

From the client	You have ready
■ $50 paid in full through Square	■ The right Steps sheet sent (Child or Transition)
■ ID.me account ready (email + phone for codes)	■ Zoom time blocked — up to 4 HOURS total guidance included
■ Papers ready: SS card, birth certificate, doctor + hospital list; child: school records too	■ A time log in their folder — extra time past 4 hrs is $10 / 30 min, billed as used
■ They must SAVE the Reference # and tell you what it is	■ Denial watch: if denied, they email you right away → attorney connection

4 · CREDIT REPAIR — Analysis $150 paid in full · then $89/mo if they continue

From the client	You have ready
■ $150 paid in full through Square	■ Analysis worksheet + dispute letter templates ready
■ Signed Services Agreement (Credit Repair checked)	■ Their credit reports pulled (all bureaus they can get)
■ Photo ID + proof of address for the dispute letters	■ Dispute tracker in their folder (bureau, date mailed, answer due)

The client signs their OWN dispute letters — always. Texas CSO registration is still the open item: keep every promise in writing modest, and deliver the analysis + first dispute as agreed.
