Be prepared when life happens — Living Benefits can help.

Friday, November 13, 2026

6:30–7:15 PM Central Time • Only 20 spots

For families in San Antonio, the Rio Grande Valley, and nearby towns only, please.

WE WILL TALK ABOUT:

- Who would care for your child if something happened to you?
- How life insurance helps your family keep going.
- Living Benefits — money you can use while you are living.
- Why waiting costs more — and can be too late.
- The one rule: do not name a child on SSI as the one who gets the money.

Your talk and your quote are FREE.
