What Southern Oak Offers

Southern Oak Financial & Wellness — serving families across Texas. Virtual / online only.

Our Services

• **Social Security Administration Application Guidance — Free form to start.** We help families apply for disability benefits for a child under 18, or for an adult 18 plus. A prescreen comes first, to see if you qualify to apply. You get a free form that shows you how to start; if you want Jessica to guide you, a guidance session is $100.00 for one hour. We will determine if you can move on to the next step to apply. An email will be sent to you with results.
• **Medication Assistance — FREE.** We check for programs that can lower medication cost and help with the application steps. We will also check if we are able to assist on any of our programs. You will receive an email. You get information sent to you. If you need assistance to fill out the application, we can help you with it.
• **Life Insurance Consultation and Quote — FREE** until you agree to a policy.
• **Credit Repair — $149.00.** Analyze your credit reports, plus one dispute, with steps in plain words.
