NOW CHOOSE HOW WE WORK TOGETHER

WE BUILD YOUR PLAN — THE PLAN PACKAGE

We build your full written plan from everything above: what to work on first, your steps in order, every deadline listed — and a delivery Zoom to walk through it together.

$399 one time — 50/50 ($199.50 to start · $199.50 before we provide your plan)

OR ONLY THE ONE THING YOU NEED

Just need one thing done? Pick only that one thing — paid in full, then we start.

SSA filing help $50 (up to 4 hours of guidance included · extra time $10/30 min) · **Credit analysis + first dispute $150**

Either way, these results are yours to keep. No pressure — take your time, and when you are ready, email southernoakfw@gmail.com. Se habla español. DISCLAIMER: No refunds for services; NO guarantee of approvals; we are not legal attorneys.

Office Run-Book — Review → Results → Plan, Guidance, or One Thing

How you run it, every time: review, give the results, and the family picks — plan, guidance, or the one thing.

The flow

• **1 · Book + intake** — free consultation; intake must arrive before the appointment (or it moves).
• **2 · You review** — work the checklist below from their intake + papers. Fill one line per pillar: where they are, what they need, first step.
• **3 · Give the results** — walk the family through their Review sheet on the Zoom (or email it after). End with their order: 1, 2, 3.
• **4 · Make the one offer** — "You can stay on this plan with us every month, or take your results and book guidance when you get stuck." Then be quiet. Let them pick.
• **5 · Start** — Plan: agreement + first $199.50 paid, then build. One thing: paid in full, then start.

What you review — the full review checklist

• **SSA Benefits:** benefits now (SSI/SSDI/DAC), application stage, any denial + the appeal deadline date, Reference # on file, representative payee.
• **Medication:** full medicine list, what they pay per month now, GoodRx / Cost Plus prices, maker programs — is each drug on our 502 list?, forms given?
• **Protection:** any life insurance now (type, amount, beneficiaries current?), parents' coverage gap, Living Benefits explained?
• **Budget & Credit:** money in vs out (one month, simple), the bill that hurts most, credit score if known, their credit goal (home, car, apartment).
• **Already in place:** guardianship, waiver, living plan, transportation, trust, ABLE, POA / HIPAA — mark HAVE or MISSING for each.
• **Road to 18 (young adults):** age today, months to 18, decision papers started?, $2,000 resource check, normal-day notes started?, LIDDA/waiver status.

The follow-up check (check-ins with plan families, 15–30 min)

• Any SSA letters this month? New deadlines in the next 90 days?
• Medications changed? New prices checked?
• Budget: last month vs plan — one win, one fix.
• One 'in place' item moved forward (waiver call made, ABLE opened, papers signed)
• Young adults: countdown to 18 still on track?

Say it like this

English: "Here is what we found, and what you need — one page, yours to keep. I can build your full plan, guide you on Zoom, or just do the one thing you need. You choose — no pressure."

Español: "Esto es lo que encontramos y lo que usted necesita — una página, y es suya. Puedo hacer su plan completo, guiarle paso a paso por Zoom, o solo lo que usted necesita. Usted elige — sin presión."

Office rules

• The results sheet is given free at the consultation — it is the bridge to the plan, guidance, or the one thing. Do not charge for the review itself.
• Payments: Plan Package 50/50 ($199.50 at signing, $199.50 before the plan is provided). One-thing offers paid IN FULL at start. No membership — do not offer it.
• Credit work follows the credit offer ($150, then $89/mo) and the Texas CSO open item — clients sign their own letters. If a family keeps getting stuck on their own, offer the Plan Package.
