Southern Oak Financial & Wellness
Office Only — Services, Prices & Partners

Employee guide — do not print for clients • Updated October 27, 2026

FREE SERVICES — the medication information and the Social Security start form are free. When a client books an appointment, confirm it by email. **Social Security Administration: do the prescreen first** (Child questions, or 18 Plus questions) to see if they qualify to apply — Social Security Administration makes the final decision in writing.

Services & prices

• **Social Security Administration Application Guidance** — Free start form for everyone. If the client wants Jessica's time to guide them, a guidance session is **$100.00 for one hour**.
• **Medication Assistance** — FREE for everyone. The client gets information sent to them; **if they need assistance to fill out the application, a donation is requested**. Partner: **Texas Care Rx**.
• **Life Insurance Consultation and Quote** — FREE until the client agrees to a policy.
• **Credit Repair — Analyze + 1 Dispute: $149.00 one-time** for everyone (Square link total $154.22 with the 3.5% service charge). Social Security guidance time ($100.00 for one hour) is the other service with a fee. Client rules: no late payments, no pulling credit for a purchase, no new loans — any of these cancels services; no refund for work already done.

Income

Prices do **not** depend on household income in this model. The free services are free for everyone; credit repair is $149.00 and Social Security guidance time is $100.00 for one hour, for everyone.

How a client starts

1. Intake — client taps the button for their service on the intake. 2. Pay, only where there is a fee — credit repair $149; Social Security guidance time $100 for one hour. 3. Client chooses: **book an appointment** or **send questions** by email.

Tracker sections (Excel)

Every sign-up goes in the Social Security Administration Signup & Prescreen Tracker (Excel): Sign-Up List, Prescreen Results, **Medication Assistance** (program check + email sent date), **Life Insurance** (consultation, quote, agreed to policy), and **Credit Repair** (agreement, $149 paid, documents, analysis, 1 dispute, cancelled if a rule is broken).

Partners

• **2-1-1 Texas** — referral/listing partner. Families can find Southern Oak by dialing 2-1-1.
• **Texas Care Rx** — medication assistance partner.
• **Uniquely You magazine** — magazine partner (separate from this services model).

Removed in this model

The Personal Plan, the old Budget offers, and every earlier Social Security filing or guidance price are **removed for new sign-ups** — do not offer them unless Jessica puts them back. Clients already signed are finished as agreed.

Donation wording — always say it straight

Donations of $10.00 or more are welcome — never required for any service. Wording to use: donations help us continue helping the community in need, to better support their child's future. Southern Oak is a for-profit business, so a donation is income to the business and is **not tax-deductible** for the giver.
