The Plan You Select

Select your plan: Credit Analysis + First Dispute - $150 one-time

Credit Analysis + First Dispute ($150, one-time, paid in full when you start): we audit your Experian and bureau reports and prepare your first dispute — every item marked error, outdated, unverifiable, or accurate — with your dispute order and the proof to gather. We prepare the dispute letters; you review, sign, and mail them yourself.

Essential Repair ($89 per month, cancel anytime): for further disputes after the first. While your plan is active, we prepare your dispute letters, you review, sign, and mail them, and we give you copies of everything with a plain-words update. You may cancel anytime and owe nothing more.

Payment is by Square payment link, paid in full when you start. Square adds a 3.5% service charge at checkout (for example, $150 becomes $155.25).

What the Provider Will Do

1. Review your credit reports and identify items that appear inaccurate, outdated, or unverifiable. 2. Prepare dispute letters for your approval and YOUR signature — you sign and mail your own letters. 3. Give you clear mailing instructions for the credit bureaus, and for creditors or collectors when the error is theirs. 4. Give you copies of everything prepared and received. 5. Review bureau responses with you (about 30-45 days after each mailing) and plan the next step. 6. Advise you on building positive credit habits while the work runs.

What the Client Will Do

Provide true and complete information; provide the start documents listed on the "What You Need to Start" sheet; forward any letters you receive from bureaus, creditors, or collectors within 5 days; and tell the Provider about any new accounts, payments, or changes that could affect your reports during the service.

Your Rights — Please Read (Federal Law)

Under the Credit Repair Organizations Act (CROA): You may dispute inaccurate information in your credit report yourself, for FREE, by contacting the credit bureaus directly. No one can remove accurate, current information from your report, and no one can guarantee a specific result or a specific credit score. Creating a new credit identity by applying for credit under a different name, Social Security number, or taxpayer ID is a federal crime — this Provider will never do it or advise it. You may cancel this agreement, without penalty, within 3 business days of signing (see the cancellation notice below).

You also have the right to a free credit report every week from each bureau at AnnualCreditReport.com, and to sue a credit repair organization that violates your rights under CROA.

Authorization

By signing, you authorize the Provider to: obtain and review your credit reports for the purpose of this service; prepare dispute letters for the items you approve, which you sign and mail yourself; and help you communicate with the credit bureaus, creditors, and collectors about those disputes. This authorization stays in effect while your plan is active and may be withdrawn in writing at any time.

☐ Yes — I authorize the work above for the plan I selected.
