LIFE INSURANCE WITH LIVING BENEFITS

Covering Life — In Living and In Loss

You do not have to die to use it.

EXCLUSIVE THROUGH PFA

Through PFA, Jessica offers the Living Life Defender IUL — made for PFA and sold only through PFA. It is issued by Life Insurance Company of the Southwest, a National Life Group company, and it includes Living Benefits.

Life insurance is not only for when you die. If you get very sick or badly hurt, Living Benefits may let you get part of your money while you are still living.

GET MONEY WHEN YOU NEED IT

Get part of your death benefit early if you have a qualifying illness or injury.

PAY BILLS & KEEP YOUR HOME

Use the money for bills, care, or your home. There are no rules on how you spend it.

LEAVE MONEY FOR YOUR FAMILY

The rest can help your family after you pass.

WHEN CAN YOU USE LIVING BENEFITS?

If one of these happens, you may be able to get money early — paid on a discounted basis:

Terminal Illness

You are expected to live 24 months or less.

Chronic Illness

You need help with 2 daily activities, like bathing or dressing, for 90 days.

Critical Illness

Cancer, heart attack, stroke, ALS, or a major organ transplant.

Critical Injury

Coma, paralysis, severe burns, or a brain injury.

Alzheimer's Disease

Or Lewy Body Dementia, if you are diagnosed.

Money you can use for bills, care, or your home.

TWO KINDS OF COVERAGE

TERM LIFE

Covers you for a set time, like 10, 20, or 30 years.
It usually costs less.

PERMANENT / IUL

Covers you for life. It may build cash value
over time that you can use later.

No fee until you approve your policy • E&O insured • Licensed with PFA, National Life Group & Foresters

Jessica has been a PFA life insurance agent for four years. Plain words. Honest answers. No pressure.

PLEASE READ: This flyer teaches only. It is not an offer of a specific policy. Living Benefits come from Accelerated Benefits Riders (ABRs) on policies issued by Life Insurance Company of the Southwest / National Life Group. Getting money early lowers your cash value and death benefit, is paid on a discounted basis, may be taxed, and may affect public assistance. Ask a tax advisor. ABRs are not long-term care insurance. Riders are optional and may not be in every state or on every product. Rules, limits, and wait times apply — read your policy. Promises depend on the company's ability to pay claims. Living Life Defender IUL is distributed exclusively by PFA. Southern Oak does not guarantee approvals. We are not lawyers. Brochure TC8751580(0226) — not approved in NY or OR.
