SSI Application Checklist

The documents and information needed to prepare your SSI application.

Client Name: _____ **Date:** _____

Please gather the following items. Check each box as you complete it, and bring or send copies where copies are asked for. Originals noted below will be requested back from Social Security.

- ☐ **1. An original certified copy of the birth certificate.** I will request that Social Security return this to you.
- ☐ **2. Copy of the Social Security card.**
- ☐ **3. Copy of any insurance cards** (front and back).
- ☐ **4. Copy of State I.D. or Passport.**
- ☐ **5. Letter of Guardianship** — if you have guardianship, I will need an original letter with the court's seal. I will request that Social Security return this to you.
- ☐ **6. If you are able to create a "my Social Security" account at SSA.gov, please give us the login, password, and the phone number where they will send a security code.** Under this account we can file for SSI benefits. If you are unable to do so, we will complete the application in other ways.
- ☐ **7. Trust** — if you have a funded Special Needs Trust, we will need a copy of the trust document and the checking account for the trust. This is especially important if there is a First Party (self-settled) Special Needs Trust.
- ☐ **8. List of ALL medical conditions.**
- ☐ **9. Copy of the original diagnosis,** either from a doctor or a psychologist.
- ☐ **10. List of prescriptions** — who prescribed the medication, why it is prescribed, and any side effects.
- ☐ **11. Medical records** from doctors or clinics where they have been seen in the past 5 years that are related to their disability — if you can get them; if not, SSA will request them.
- ☐ **12. Documentation showing he/she was disabled prior to age 22** (psych evaluation or doctor's notes).
- ☐ **13. Current psychological exam** done in the past 6 months to a year.
- ☐ **14. High schools attended** — address and contact person, any reports from the school, and the latest IEP, FIE, or ARD from the school.
- ☐ **15. Bank information** — account type and number, bank routing number, and bank name and address.

- ☐ **16. ABLE account** — if one is open, we will need the opening balance, the account number, and a statement that shows money is being taken out for rent and food.

NOTE — Representative Payee: Once you are appointed as the Representative Payee and receive correspondence from SSA stating that you have been appointed, you will either open a new account or change the title of an existing account. The account will be titled: **“Your Name as Representative Payee for Your Adult Child.”**
