Your Steps — Family Plan

Your step-by-step sheet for your whole family. We built this order from your intake. Do the steps in order, and check the box each time you finish one.

1	**Start with your free consultation** You already did this step if we looked at your intake together. We saw who the plan is for, what you need, and what is already in place. That is how we set your order below.	☐
2	**Write your order with us** We put your needs in order — first, next, last — so you do the most important thing first. Write your order here: 1) _____ 2) _____ 3) _____	☐
3	**Do your benefits step** For Social Security help, follow your SSA steps: gather papers, set up ID.me, start online, use your intake answers, and SAVE your Reference #. If you got a NO, email us right away — deadlines matter.	☐
4	**Do your medication step — FREE** Step 1: check GoodRx (goodrx.com). Step 2: check Cost Plus Drugs (costplusdrugs.com). Step 3: ask us about maker help — if the medicine is on our list, the forms are free.	☐
5	**Do your protection step — FREE** Have your free life insurance talk with Jessica. She goes over Term and IUL with Living Benefits in plain words. There is no fee unless you approve a policy — you decide, no pressure.	☐
6	**Do your credit step — only if it is your goal** If better credit is one of your goals, start with the Credit Analysis ($150): we analyze your credit and your first dispute is included. If you continue, Essential Repair is $89 a month, cancel anytime.	☐
7	**Fill what is missing** Look at what is not in place yet and start one: guardianship, Medicaid waiver list, a living plan, rides/transportation, a special needs trust, an ABLE account, power of attorney. Ask us at a guidance appointment which one comes first for your family.	☐
8	**Keep one family folder** Put every paper, letter, and number in one folder — Reference #s, letters from Social Security, medicine lists, policy papers. When a letter comes, open it the same day and write the date on it.	☐

Need help with a step? Book a guidance appointment — a 30-minute Zoom with Jessica for **$26**. Pay for the appointment, then email **southernoakfw@gmail.com** to set your time. Book only when you need one — you never pay for help you did not book.

Our #1 need first: _____ Our next step date: _____
