Credit Repair — What You Need to Start

Analyze + 1 Dispute — $149.00 one-time

Gather these items and email them to **southernoakfw@gmail.com**.

Your start checklist

- ■ Your signed Client Services Agreement
- ■ A copy of your government photo ID (driver's license, state ID, or passport)
- ■ A copy of your Social Security card
- ■ Proof of your current address, dated within the last 60 days (utility bill, bank statement, or lease)
- ■ Your credit reports from all 3 bureaus (see below — they are free)
- ■ Any letters you have from collectors or credit bureaus (only if you have them)
- ■ Payment when you start — $149.00 by the Square link we send you (Square adds 3.5%, so $154.22 total)

How to get your 3 credit reports — free

1. Go to **AnnualCreditReport.com** — the official site. You can get a free report from each bureau (Equifax, Experian, and TransUnion) every week.
2. Download or save each report as a PDF. Do not pay for a score — we only need the reports.
3. Email the 3 PDFs to southernoakfw@gmail.com with your other documents.

Never share your report login or password with anyone — including us. Only send the report files themselves.

Your rules while you are in credit repair

• **Do not be late on any payment.**
• **Do not pull your credit for a purchase** — no new credit applications or hard pulls.
• **Do not get any new loans.**

If any of these happen, your credit repair services will be cancelled.

What happens after you send everything

Step 1 — We confirm we received everything and tell you if anything is missing.
Step 2 — We complete your credit analysis and prepare your 1 dispute for your approval and signature — you sign and mail your letters yourself.
Step 3 — Bureaus have 30–45 days to investigate and answer.
Step 4 — We review the results with you, in plain words, and plan the next step together.

Honest notes: No one can guarantee that an item will be removed or that a score will rise by a set amount — and you can always dispute your own reports for free. Questions? Email southernoakfw@gmail.com.
