Southern Oak Financial & Wellness
Office Only — Services, Prices & Partners

Employee guide — do not print for clients • New model, October 23, 2026 (draft preview)

FREE SERVICES — 20 people a month. When a client books an appointment, tell them **what number they are** on the list. Once they are on the list for contact, **an email is sent to them**. Order = order signed up. **Social Security Administration: do the prescreen first** (Child questions, or 18 Plus questions) to see if they qualify to apply — Social Security Administration makes the final decision in writing.

Services & prices

• **Social Security Administration Application Guidance** — FREE for everyone.
• **Medication Assistance** — FREE for everyone. Partner: **Texas Care Rx**.
• **Life Insurance Consultation and Quote** — FREE until the client agrees to a policy.
• **Credit Repair — Analyze + 1 Dispute: $149.00 one-time** for everyone (Square link total $154.22 with the 3.5% service charge). This is the only service with a fee. Client rules: no late payments, no pulling credit for a purchase, no new loans — any of these cancels services; no refund for work already done.

Income

Prices do **not** depend on household income in this model. The free services are free for everyone, and credit repair is $149.00 for everyone.

How a client starts

1. Intake — client taps the button for their service on the intake. 2. Pay, only for credit repair — $149. 3. Client chooses: **book an appointment** or **send questions** by email.

Tracker sections (Excel)

Every sign-up goes in the Social Security Administration Signup & Prescreen Tracker (Excel): Sign-Up List, Prescreen Results, **Medication Assistance** (program check + email sent date), **Life Insurance** (consultation, quote, agreed to policy), and **Credit Repair** (agreement, $149 paid, documents, analysis, 1 dispute, cancelled if a rule is broken).

Partners

• **2-1-1 Texas** — referral/listing partner. Families can find Southern Oak by dialing 2-1-1.
• **Texas Care Rx** — medication assistance partner.
• **Uniquely You magazine** — magazine partner (separate from this services model).

Removed in this model

Personal Plan (all tiers — $199 / $399 / $1,200 — and the $29/$30 workbook offer) is **removed for new sign-ups**. Clients already signed are finished as agreed. The old Budget + Credit $49 bundle and Budget Only $25 are not in this model — do not offer them unless Jessica puts them back.

Donation wording — always say it straight

Donations of $10.00 or more are welcome — never required for any service. Wording to use: donations help us continue helping the community in need, to better support their child's future. Southern Oak is a for-profit business, so a donation is income to the business and is **not tax-deductible** for the giver.
