LIFE INSURANCE WITH LIVING BENEFITS

Covering Life — In Living and In Loss

Protection for when life happens — not just at the end of life.

Most families think life insurance only pays after someone passes. With Living Benefits, qualifying coverage can also help during your lifetime — if you face a serious illness or injury and meet the policy's conditions.

HELP DURING A HEALTH EMERGENCY

Access a portion of your death benefit, on a discounted basis, after a qualifying event.

PROTECT WHAT MATTERS MOST

Help your family keep the home, pay bills, and carry on if a wage earner dies.

LEAVE A LEGACY

Your death benefit can support your family, your business, or a charity you choose.

47% would feel a financial impact in less than 6 months if a primary wage earner died — LIMRA, 2025

BENEFITS YOU CAN USE DURING YOUR LIFETIME

Accelerated Benefits Riders (ABRs) are optional, no-additional-cost riders on many National Life Group policies. They let you accelerate part of your death benefit, on a discounted basis, during your lifetime if you experience a qualifying event:

- **Terminal Illness** — An illness expected to result in death in 24 months or less.
- **Chronic Illness** — Unable to perform 2 of 6 activities of daily living, or severe cognitive impairment, certified for 90 days.
- **Critical Illness** — Including qualifying cancer, heart attack, stroke, ALS, major organ transplant, and other listed conditions.
- **Critical Injury** — Including coma, paralysis, severe burns, or traumatic brain injury.
- **Alzheimer's / Lewy Body** — A qualifying diagnosis of Alzheimer's disease or Lewy Body Dementia. Conditions apply.

USE IT FOR WHAT YOU NEED

Once you qualify, ABR funds are generally unrestricted — household bills, care, home changes, or regular expenses.

CHOOSE THE COVERAGE THAT FITS YOUR FAMILY

TERM LIFE

Protection for a set period — often the most affordable way to protect income and children during the years they depend on you most.

PERMANENT / IUL

Coverage designed to last a lifetime. Permanent policies may build cash value you can access through loans or withdrawals. Crediting is illustrated, not guaranteed — we'll show you how it actually works before you decide.

No fee until you approve your policy • E&O insured • Licensed with PFA, National Life Group & Foresters
