What Southern Oak Offers

Southern Oak Financial & Wellness — serving families across Texas. Virtual / online only.

Our Services

• **Social Security Administration Application Guidance — Free starter kits.** We help families apply for disability benefits for a child under 18, or for an adult 18 plus. You start free with the starter kit that fits you — Child (17 and under) or Adult (18 plus). The kit shows you what to gather; if you want Jessica to guide you, a guidance session is $100.00 for one hour. We will email you the next step.

• **Medication Assistance — FREE.** We check for programs that can lower medication cost and help with the application steps. We will also check if we are able to assist on any of our programs. You will receive an email. You get information sent to you. If you need assistance to fill out the application, we can help you with it.

• **Life Insurance Consultation and Quote — FREE** until you agree to a policy.

• **Credit Repair — $149.00.** Analyze your credit reports, plus one dispute, with steps in plain words.
