Form 2 — Service Agreement

This Agreement is between **Credit Repair Services — Jessica Alvarez, San Antonio, TX** (“Business”) and the client named in Form 1 (“Client”).

1. Services. Business will: pull and audit Client’s credit reports from Experian and, where needed, Equifax and TransUnion; give Client a written, item-by-item analysis; prepare dispute letters for Client’s approval and Client’s own signature and mailing, for items that are inaccurate, incomplete, outdated, or unverifiable; track deadlines and results; review each bureau response with Client; and coach Client on building positive credit during the program.

2. Choose your plan (check one):

Plan	Fee	Terms
☐ Credit Analysis + First Dispute	$150 one-time	I look at your credit report, mark what is wrong and what to fix first, and prepare your first dispute. You review the letters, sign them yourself, and mail them. The $150 is paid in full when you start. If you choose to move forward, Essential Repair ($89/month) covers further disputes.
☐ Essential Repair	$89 / month	For further disputes after the first, while your plan is active. I prepare your dispute letters — you review, sign, and mail them. You get copies of all letters. I tell you in plain words what the bureaus said. Cancel anytime and owe nothing more.

3. Payment — Square, plus a 3.5% service fee. All payments are made through **Square** (Square payment link or invoice). A **3.5% service fee is added to every payment**; the exact total is shown at Square checkout before Client pays. The Credit Analysis fee ($150) is paid in full when service starts. Essential Repair is $89 per month, charged monthly while the plan is active; Client may cancel Essential Repair anytime and owes nothing more. Southern Oak does not provide refunds for services.

4. Once I start working on your credit, you agree to follow these rules. Client understands the repair only works if Client follows all of the following for the entire program:

- **Pay every bill on time** — one new late payment can undo months of work.
- **Do not apply for new credit** of any kind (cards, loans, store financing, co-signing, “pre-approvals”) without asking Business first.
- **Do not close any credit card** without asking Business first.
- **Keep card balances low** — below 30% of each limit, working toward below 10%; do not max out cards.
- **Send Business every letter** you receive from a bureau, creditor, or collector within 5 days (photo or scan is fine).
- **Keep your Experian / monitoring access active** and share updated reports when Business asks.

- **Do not dispute items on your own** or pay a collection that is being disputed, without talking to Business first.
- **Answer promptly** when Business needs information, and tell Business right away if your address, phone, or email changes.
- **Give only true information.** Business disputes only items that are inaccurate, incomplete, outdated, or unverifiable — never accurate debts.
- **Be patient with the timeline.** Each dispute round takes about 30–45 days; most programs take 4–6 months.

If Client does not follow these rules, Business will explain the impact in writing and may pause or end the program. Fees for work already performed remain due.

5. DISCLAIMER. Business does **not** guarantee that any item will be removed, that any score will increase, or any specific result or date. Outcomes depend on the bureaus, creditors, the facts of each account, and Client following Section 4. Business is not a law firm and does not give legal, tax, or financial-planning advice; Client may be referred to an attorney or counselor when needed. Credit Repair Services is the credit repair service of Jessica Alvarez, offered alongside her Southern Oak Financial & Wellness services (SSA, medication assistance, or life insurance services.

6. Your rights (federal Credit Repair Organizations Act). You have the right to: dispute inaccurate information in your credit report yourself, free of charge, by contacting the bureaus directly; receive a copy of this Agreement and the separate "Consumer Credit File Rights" disclosure; cancel this Agreement within **3 business days** of signing for a full refund of any amount paid (see Form 5); sue a credit repair organization that violates the law; and know that a bureau must respond to a dispute generally within 30 days. No credit repair organization may make false or misleading statements, ask you to lie, or charge a fee for services not described in a signed agreement.

7. Texas. Services are provided under the Texas Credit Services Organization Act (Finance Code Chapter 393). The disclosures required by Texas law are part of this Agreement; Business registration information is available on request.

8. Records & privacy. Business keeps Client's file and copies of all letters for at least 2 years and does not sell Client's information.
