SOUTHERN OAK FINANCIAL & WELLNESS

This agreement is between you and Southern Oak Financial & Wellness. It says, in simple words, what you chose, what it costs, and how payment works. We go through it together before you sign. Se habla español — we can explain everything in Spanish.

What you chose — together, we add the services you will go with (check all that apply)

When you agree to move forward, we check the services below with you and write in **your** prices — the prices we set for your family. Nothing starts until you say yes and sign.

( )	**Your Personal Plan — a 1-year membership, built for your child and your family** We build your written plan from your intake: what to work on first, steps in order, deadlines, delivery Zoom included. **Email questions about your plan are included, free. Your membership is paid in 12 monthly payments.** Your first monthly payment is due when you sign (we start building). We provide your plan after your first payment is received, and your membership year starts that day. During your year, we update your plan when your family's situation changes. **Signing for the Personal Plan is a promise to pay for the full year — all 12 monthly payments. Please read "Your 1-year promise" below before you sign.** **Your personal price: $_____ Your monthly payment: $_____ (12 monthly payments)**	**12 monthly payments**
( )	**SSA Filing Help — paid in full** We give you the steps. **You file it yourself.** Jessica guides you on Zoom — **up to 4 hours of guidance included, until your filing is complete**. If you need more time after 4 hours, extra Zoom time is **$10 for every 30 minutes**, billed only for the time you use. **Your price: $_____**	**Paid in full**

( )	**Budget + Credit — $49 (same price for everyone)** Everything in Budget Only, plus a review of your credit, plus one month of credit repair with 1 dispute. We prepare your dispute letters; you review, sign, and mail them yourself. Credit repair is offered only inside this bundle. **Your price: $49**	**$49 one-time**

Please know

• Payments are made through Square. Work starts when the first payment is received.
• There is **NO guarantee of approvals**. SSA and insurance companies make their own decisions. We help you do everything right — we cannot promise their answer.
• We are **not legal attorneys**. If your SSA case is denied, email us right away — deadlines matter — and we can connect you with special needs attorneys who charge no upfront fee.
• There are **no refunds for services**.
• For SSA filing help: you are the one who files and signs your application. Jessica guides you — she does not file for you.

Your 1-year promise — Personal Plan only. Please read this part carefully before you sign.

• When you sign this agreement for the **Personal Plan**, you are signing up for the **full 1-year membership**. You promise to complete the full year of service and to make **all 12 monthly payments**. Your full-year total is the personal price written above.
• Signing this agreement is a **legal obligation**. Your signature means you agree to pay for the full year, even if you stop using the service.
• If you cancel before the year ends, or you stop paying, the **rest of the year's balance becomes due right away**. You give Southern Oak permission to charge the remaining balance to the **card you have on file** with us.
• A missed payment does **not** cancel your membership, and it does not cancel your promise to pay.
• If the balance is not paid, it may be sent to a **collections agency**. Where the law allows, you may also owe the reasonable costs of collecting it.
