SOUTHERN OAK FINANCIAL & WELLNESS

Client Services Agreement

This agreement is between you and Southern Oak Financial & Wellness. It says, in simple words, what you chose, what it costs, and how payment works. We go through it together before you sign. Se habla español — we can explain everything in Spanish.

Plan / help is for: _____ Date: _____

What you chose (check all that apply)

( )	**Your Personal Plan — priced for your family, paid 50/50** We build your written plan from your intake: what to work on first, steps in order, deadlines, delivery Zoom included. **First 50% of your personal price is due when you sign** (we start building). **Second 50% is due BEFORE we provide your plan.** If the second half is not paid, your plan stays ready, but it is not provided, until it is paid.	**Priced for your family**
( )	**SSA Filing Help — $50, paid in full** We give you the steps. **You file it yourself.** Jessica guides you on Zoom — **up to 4 hours of guidance included, until your filing is complete**. If you need more time after 4 hours, extra Zoom time is **$10 for every 30 minutes**, billed only for the time you use.	**$50**
( )	**Credit Repair — Analysis + First Dispute — $150, paid in full** We analyze your credit reports and prepare your first dispute. **You sign your own dispute letters.** If you want further help after that, Essential Repair is **$89/month** (more disputes + monitoring), cancel anytime — that monthly plan starts only if you say yes to it.	**$150**

Always free, no agreement needed: your first consultation, your results page, a medication check, and a life insurance conversation (no fee unless you approve a policy).

Please know

• Payments are made through Square. Work starts when the first payment is received.
• There is **NO guarantee of approvals**. SSA, insurance companies, and credit bureaus make their own decisions. We help you do everything right — we cannot promise their answer.
• We are **not legal attorneys**. If your SSA case is denied, email us right away — deadlines matter — and we can connect you with special needs attorneys who charge no upfront fee.
• There are **no refunds for services**. If you start the Plan Package and do not pay the second half, your plan stays ready for you — it is provided when the balance is paid.
• For SSA filing help: you are the one who files and signs your application. Jessica guides you — she does not file for you.
